

# Intelligent Boundary System

*Revolution to build roads, rail, airlines, logistics, postal services, telecommunications and utilities now completed after 400 years.*

**IBS will revolutionize the completely neglected access to your property whether a home or business dwelling**

# Current Property Boundary Problems

- **No Service for Receiving/Sending Logistics**
- **Dumb abused by all Letter Box for Post**
- **No overall Integration of Utilities Access and Metering**
- **No Bridge between Analogue PSTN Telephony & Wireless**
- **No Boundary Security for Premises**

# IBS Vision 2020+

- **Secure Postal Delivery Point for Receipt and Send of all Mail**
- **Legally Admissible Postal Messaging**
- **Legally Admissible, Always-On and Secure Logistics for Receipt and Send of all Goods, see [@fulfilment](#)**
- **Integrated Utilities Access & Metering**
- **Integrated IP & PSTN Telephony**

# **IBS Service Provider Model**

- **Postal Service and Key Logistics Companies, Utilities and Telcos**
- **Full IBS up-to \$10K per Property all OPEX financed at AAA Mortgage Rates**
- **Initial Target: All High Net Worth Individuals, SOHOs and all Multi-Storey Premises**
